

## Recreation Department To Teach Modern Dance

The modern dance program, pioneered last summer by Lou-ray Cowley will be continued this summer by Mickey Van Deventer under the sponsorship of the Torrance Recreation Department.

Plans are already underway for bandshell programs in Torrance Park and various other appearances, plus the modern dance demonstration scheduled for the open house show August 23, which will close the summer recreation program.

The last week will serve as a culmination of the program and preparation for the open house. Those beginning July 8 may wish to continue through August 23.

The dance classes will be set up in two three-week sessions for the convenience of those taking vacation trips. The first session will extend from July 8-26 and the second session from July 29 to August 16.

## Cal-Metal Honored By State of Israel

Officials of Cal-Metal were honored last week for distinguished service rendered the State of Israel.

The testimonial dinner, honoring Gerald L. Revell, Charles A. Babbitt, and their associates, was attended by

Arrangements were made by Lawrence A. Harvey, executive vice president of Harvey Aluminum.

Cal-Metal developed the pipe industry in Israel, constructing a pipe manufacturing plant and training personnel in the techniques of pipe fabrication.

To emphasize the importance of Cal-Metal's work, material from the Israeli pipe mill now carries oil from the Gulf of Aqaba to Beersheba.

This pipeline through Israel is a strategic alternate to the Suez canal and reduces the free world's dependency on that waterway.

Impressed with the spirit of the Israelis, Revell said "There is one thing you can never put into a contract—the integrity of a people. I made a vow as I left Israel that they'd never have reason to doubt our own integrity."

Revell and Babbitt, who are not of Jewish faith themselves, expressed their great admiration for the Israelis.

Revell called Israel a land of opportunity where immigrants are rebuilding their lives and are given a chance to be human again.
